

ARCH Stakeholder Dialogue

1-2 June 2022, Thessaloniki

Objectives:

- To present and disseminate the results from the ARCH project, including:
 - the ARCH standards
 - the ARCH tools: HARIS, THIS, RAD, DSS, RMI, RPVT and Hub
 - the ARCH co-creation approach
- To exchange DRM in historic areas experiences with a broad group of cities, including ARCH foundation and keystone cities, Shelter and Hyperion representatives and external cities
- To visit the most emblematic historical sites (including buildings and landscapes) in Thessaloniki, facing natural threats

Venue of the event:

Thessaloniki City Hall, Vas. Georgiou Avenue, A1, Thessaloniki 546 36

You can find it on google maps here:

Maria von Mach, ICLEI
	15 min 16.30 - 16.45	Conclusions	ICLEI

TaskForce meeting

3 June 2022, 9:00 – 14:00, Thessaloniki - Hybrid format

Overall objective:

- Discuss the then up-to-date iteration of a policy recommendation paper about challenges, opportunities, and recommendations for resilient historic districts

Specific objectives:

- Discuss the identified challenges – are they clear, is anything missing
- Discuss the identified opportunities that historic districts can bring to resilience – are they clear, is anything missing
- Discuss recommendations on how to address the challenges and make use of the opportunities

Activities:

- **Welcome and introduction**
- **State-of-play of the policy recommendation paper – presenting the paper and identifying gaps, required input**
- **Interactive session on challenges, opportunities, and recommendations**
- **Reporting back**
- **Next steps and closing**
